Any student who is required at field and track events at the same time, will need to check in at their field event first, then go to the track marshalling.

Events will be conducted on a rotation basis.

Those children not competing are asked to keep clear of competition areas, especially discus and shot put.

Only those children nominated by their school are to compete.

Multiclass competitors are to attend field events with competitors of the same age but will be judged separately.

Students will be given 3 throws each in discuss and shotput and 3 jumps in long jump. An extra throw or jump may be needed if a winner cannot be ascertained on a count back. The event official may allow a warm-up throw or jump if they deem there is enough time.
